

# American Sentinel University Online Admissions Open House

May 18, 2011

1 p.m. (EDT)

Hosted by Natalie Nixon, Director of Admissions

# Today's Topics

- Transfer credits
- How courses work
- How to pay your tuition

# Having Your Credits Evaluated for Transfer

## **WHAT TO SUBMIT (for all programs)**

- Complete an online application. (No application fee)
- Send copies of the following to your advisor:
  - Prior college transcripts
  - ACE, CLEP, DSST and AP documentation
  - Industry certifications
- For Nursing programs include a copy of your RN license.
- Additional options for credit once you are enrolled
  - Life/work assessment
  - Test out

# Having Your Credits Evaluated for Transfer

## **WHAT TO EXPECT**

- The evaluation of your documents will take 2-3 days.
- You will receive a degree plan - a detailed breakdown (by category) of general education courses, major course and electives. Shows each transferred course along with what you must complete.
- Your Admissions Advisor will help you plan out when you will take your classes based on your degree plan and the course schedule.
- You will use this degree plan throughout your enrollment.

## Course structure

The screenshot shows a web browser window displaying a Blackboard course page. The browser title is "Course: BSN436-11A\_May Developing Nursing Practice - Windows Internet Explorer". The address bar shows the URL: "http://americansentinel.mrooms3.net/course/view.php?id=2054". The page header includes the American Sentinel University logo and navigation links: "My Profile", "My Courses", "My Messages", and "My Grades". The user is logged in as "Natalie Nixon (Logout)". The page content is organized into several sections:

- Course Menu:** Includes links for Participants, Messages, Outline, Week One - Why..., Week Two - Who a..., Week Three - Th..., Week Four - Crit..., Week Five - Crit..., Week Six - Asses..., Week Seven - Cri..., Week Eight - Thi..., Resume Buttons, Resources, Chats, Forums, and Assignments.
- Collect:** A section for data collection routines, including "Collect course data" and "Global settings".
- Administration:** Includes "Turn editing on", "Settings", "Assign roles", and "Grades".
- Topic outline:** The main content area, titled "BSN436-11A Developing Nursing Practice". It contains a paragraph about plagiarism, a "Resume Course" button, and a list of resources: "Start Here", "Meet Your Professor", "Syllabus", "Weekly Lesson Plan", "Course Help", "Writing Help", "Course Extensions", "Notice to Students Regarding APA Style", and "Tips for Setting Up MSWord for APA Papers". Below this is a "Student Communications" section with "Main Course Chat", "Student Lounge", "Discussion Forum", and "News Forum".
- Ungraded Assignments:** A section for assignments, showing "Total work to be graded: 0" and a "CLICK TO REFRESH" button.
- Latest News:** A section for news, showing "Add a new topic" and "(No news has been posted yet)".
- Calendar:** A calendar for May 2011, showing dates from Sun 1 to Sat 31.
- Events Key:** A key for the calendar, showing "Global", "Group", "Course", and "User".

The bottom of the page shows a Windows taskbar with the Start button and several open applications: "Inbox - Microsoft...", "Microsoft Dynamic...", "Home - Sales - W...", "Course: BSN436...", and "Office Communica...". The system tray shows the time as 10:21 AM.

**Discussion Questions**  
by Michael Liska - Tuesday, 15 February 2011, 06:30 PM

Are we suppose to reply directly to the discussion question for each week or are we suppose to create our own post?  
Edit | Delete | Reply

**Re: Discussion Questions**  
by Ray Fernandez - Wednesday, 16 February 2011, 02:55 AM

No, you should not create your own posts but instead reply to the original DQ thread and, in particular, you should discuss the topics with your classmates as much as possible. In other words, it's better to engage your classmates in discussions that posting another original reply to the DQ, see?  
Thanks!
