

VALENTINES

Directions:

- Print valentines front and back (printing on heavier paper is best)
- Cut out valentines
- Fold in half
- Address
- Share with your loved ones

Happy Valentine's Day!

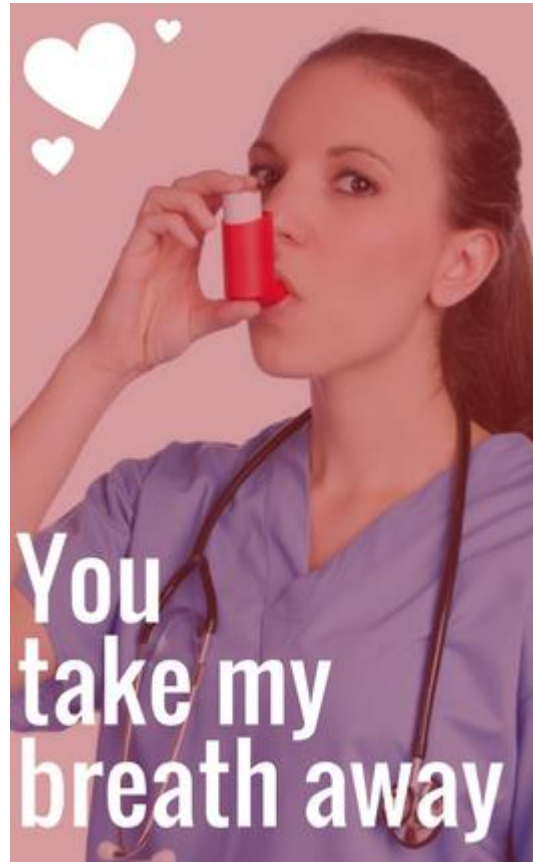

I *aorta* tell you
how great you are!

Are you Broca's aphasia?

Because you leave me
speechless!

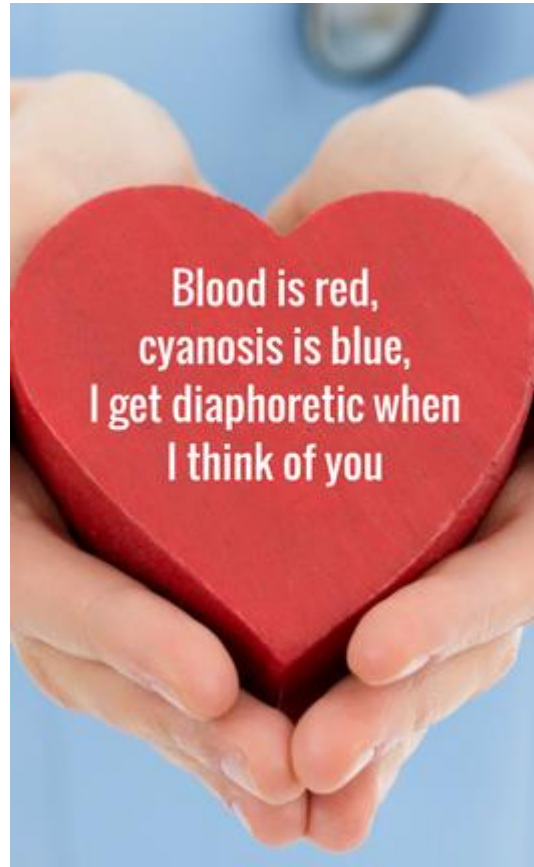

You
take my
breath away

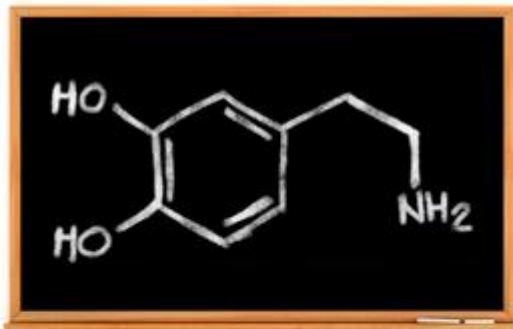

Valentine,

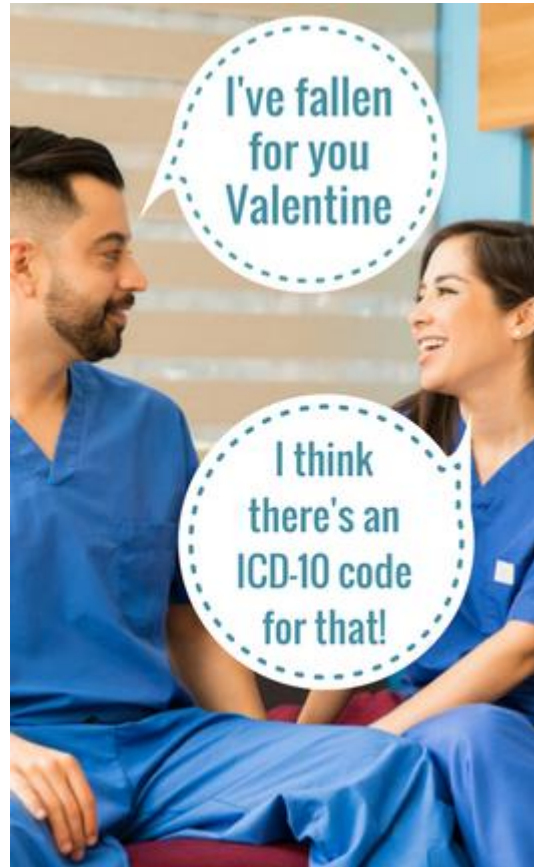

I love you as
much as C. diff smells
(so you know...A LOT!)

Blood is red,
cyanosis is blue,
I get diaphoretic when
I think of you

Valentine,
you make
me **HAPPY!**

I've fallen
for you
Valentine

I think
there's an
ICD-10 code
for that!

I love

YOUR GUTS

I FIND YOU...

HUMERUS!

WE GO TOGETHER LIKE

"LUB" AND "DUB"

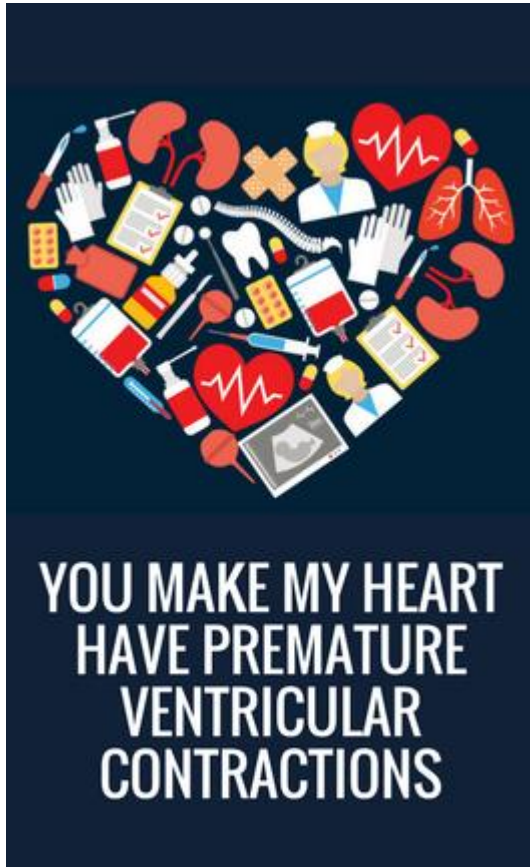

I'm nursing the hope you'll be my valentine
- XOXO -

You're cute enough to stop my heart, and skilled enough to start it again.

I want tibia with you!

YOU MAKE MY HEART HAVE PREMATURE VENTRICULAR CONTRACTIONS
